Greenhouse Production and Delivery

We're ready to Grow and you can help! Edgewood Greenhouse is creating a new part time opportunity for confident people with a passion for excellence in business. If you need a work schedule that is flexible and works around your family or kids schedules, or, need an after-school job, this could be your opportunity.

How would you like to join a small enthusiastic team that works to bring beauty and joy into people's lives? Where your passion and persistence will be appreciated and well-rewarded? Where there is plenty of flexibility to fit work within your life style.

Edgewood Greenhouse is ready to grow and we need your help to fulfill our vision of becoming the best supplier of Blooming plants in Wisconsin. We're looking for people who have well-developed communication skills, a warm friendly personality, and a real ability to relate to others.

The **part time production** role involves the process of growing and maintaining plants in a warm fast paced environment. We are offering this position for the months of February through June, with flexible hours. We are also looking for highly qualified **part time drivers** that are able to deliver our product safely to our valued local customers. A special license is not required to drive our delivery trucks. We are in need of drivers from the middle of April to the middle of June. These hours are flexible, so you are able work around family schedules and take advantage of this opportunity.

As a member of our team, you will be working with others that enjoy an invigorating, fast-pace environment. Our compensation package reflects our healthy appreciation for balance in life, and offers incentives for the results you achieve – as well as those we achieve as a team.
